### **SIMPLE. MULTIFUNCTIONAL. EFFECTIVE.**

The Birdie Truck 2000 is a durable electric utility vehicle suitable for transporting 2 people. It provides passengers with a safe and comfortable journey, while saving time and energy, all in an environmentally friendly way, of course. It is excellently adapted to tasks where larger vehicles may have difficulties in unhindered travel and maneuvering. Depending on the area of use, it can make work processes easier for users and significantly reduce the time of tasks. Due to their compact size, low emissions and efficient transfer capacity, Birdie vehicles contribute to reducing traffic jams in congested areas or even at mass events.
